Summary of Session Meeting  
April 20, 2022

At April's Session meeting, two AED's were approved for purchase, with financial help from Mark West. One will be placed in the upstairs hall outside the sanctuary and one downstairs near the social hall. Plans were discussed for including special music in more of our services and for concerts to be held in the future as well. Greeters and lay readers will also be brought back to our Sunday worship services. A three-day Bible school in our church is also being investigated. Look for more info on these ideas in the near future.

The next Session meeting is scheduled for Wednesday, May 11 at 6:00pm.

The Outreach and Evangelism committee began to fill the shelves of the new micro-pantry which is located on the porch of the fellowship hall.

Ideas for non-perishable food and hygiene products include:

- Canned vegetables • Canned fruit • Canned meats • Soups • Dry cereal
- Peanut Butter • Snack Bars • Bar Soaps • Hand wipes • Paper Towels

We encourage those who wish to help keep the pantry stocked to place non-expired items on the shelves or drop them off in the church office. You can also place items in the drop-boxes located by the social hall back door and downstairs church door.

There is no sign-up, or set hours for the micro-pantry, it is open for those in the community to "take what you need". For more information, please contact the church office at (740) 942-2366.

Tea Tyme Book Club - May 11 @ 2pm

*The Curious Incident of the Dog in the Night-time* - by Mark Haddon

Bring your favorite tea cup or coffee mug and join us for a cup of tea or coffee and a lively discussion.

*The Curious Incident of the Dog in the Night-time* by Mark Haddon is the story of Christopher John Francis Boone's adventures as told by him. The protagonist, Christopher, wrote the book as a murder mystery, describing his investigation of the killing of Mrs. Shears' dog, Wellington. However, as he tells his story, the reader gets a clearer picture of Christopher's life, learning about his mother and all of the secrets present within his family. Boone has some mental and behavior problems. Throughout the text, he has to struggle with his own issues as he investigates the murder of the poodle and searches for his mother. Through *The Curious Incident of the Dog in the Night-time*, Mark Haddon presents the themes of coming of age and bravery.

Mission of the Month

The Mission of the Month for May is Heifer International.

Heifer International's mission is to work with communities to end world hunger and poverty and to care for the Earth.

Heifer International empowers families to turn hunger and poverty into hope and prosperity – but their approach is more than just giving them a handout. Heifer links communities and helps bring sustainable agriculture and commerce to areas with a long history of poverty. Their animals provide partners with both food and reliable income, as agricultural products such as milk, eggs and honey can be traded or sold at market. When many families gain this new sustainable income, it brings new opportunities for building schools, creating agricultural cooperatives, forming community savings and funding small businesses.
